

The JSE Ad Exchange

Why should your ad earnings be pulled down by the bad practices of others?

Earn 100% of ad spend with no middle men

Our focus is on token utility rather than profit margins providing a direct market place between publishers and advertisers

Committed to fighting fraud and bot impressions

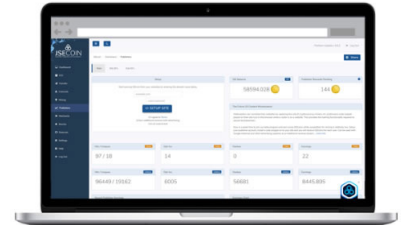

There's no incentive for us to turn a blind eye to ad fraud that makes up 50%+ of some ad networks revenues. Cutting edge technology meaning more revenue for genuine publishers with genuine traffic.

Simple to setup and optimize with easy to understand analytics and conversion tracking.

Complete transparency over ad placements, advertising revenues and traffic volumes.

JSEcoin is listed on CoinMarketCap and tradeable for Bitcoin or Ethereum via third party exchanges
